

Dear Rotary,

You have changed my life, and for that I cannot thank you enough. This journey of growth has had such an impact on who I am as a leader, friend, and community member. I have always struggled with the fear of rejection. This week I was given the gift of friendship, and developing connections so deep I am still in shock. With this gift I now choose self love. I choose to be confident in myself, and that my confidence not be dependent on others. My gratitude for your organization is truly endless. I will now be a stronger and open leader. My goal is to bring my newly developed skills to my school. By creating a space where youth can trust those around them with vulnerability. Thank you again for this opportunity of a lifetime. It has helped develop me

as a human being.

Love,

Alexandria Macarty
