

Club Membership Survey January 2021

Rotary is only as strong as our individual members. As those strong links in the Rotary chain, your opinion is important. The leadership in our club uses the opinions and satisfaction of the members to shape the policies, plan the meetings and budget the funds to best reflect the wide-ranging interests of our club members. We cannot do this without conducting surveys from time to time.

We are all busy (although during the pandemic, if we are honest, we must admit we are not as busy as we normally are). When you first glance at the attached survey, you may think it is too long and you may not want to take the time to fill it out. However, please remember as talented as your leadership team is, we are not clairvoyant. Your satisfaction, interests and suggestions can only be known and taken under consideration, if you take the time to share your input. We thank you for your Rotary membership and, in advance, for taking your valuable time to complete this survey.

All answers are confidential and will only be shared in general terms to help us in planning (unless you give permission for me to share an answer).

Please complete the attached survey and return it to me at: 2cwb@sbcglobal.net or mail to P.O. Box 1065, Nevada City, CA 95959. If you have any questions please don't hesitate to contact me either by email or telephone (530) 265-2155.

Please return it by **February 20, 2021.**

Thanking you for your participation and your friendship,
